Lava Hot Springs

Remember. It's not Camping.

KOA Kampground

It's **Kamping**.

The time-honored camping tradition becomes even more fun at the Lava Hot Springs KOA. Lava's World Famous Natural Hot Pools are just a short walk into town. Maybe a float-tube ride through town on the Portneuf River is on your adventure calendar (several local businesses rent float tubes). Or the Olympic swimming pool complex with its new high-speed water slides. Lava also has a beautiful 9-hole golf course, a disc-golf course by the swim complex,

and a lot more. No matter what you're here to do (including nothing!), **thank you** for choosing to stay with us at the Lava Hot Springs KOA!

For more than 40 years KOA has been offering the perfect, convenient getaway, and the opportunity to spend quality time with family and friends in a safe, clean and best of all, fun environment. KOA is North America's camping leader—for millions of campers, only the KOA name has come to mean home-away-from-home.
